

## Massimo Salvadori

*Coordinator*

After obtaining a degree in Sociology and a master's degree in Social Enterprise Management, in 2007 Massimo began his career in the field of international cooperation, working for several years in West Africa and later in Central America.

He has collaborated with several international NGOs in the field and at headquarters in the management of humanitarian programs in the field of health, nutrition and protection. Since 2021 he has been the Coordinator of the Chiesi Foundation.
